### Guidelines for Accreditation of Vocational Education Courses

**Norms relating to the procedure for submitting and considering proposals for grant of Accreditation to the Institutions:**

**Types and categories of organizations eligible to submit application**

1. Following types of organizations who have a vision for providing vocational education and training through Open Schooling, ensuring quality, credibility and sustenance, are eligible to submit their applications for accreditation to NIOS.
  - i) The organization which sets up and maintains the institution should be registered as a society under the Societies Registration Act 1860 or a Public Trust constituted under the law in force for the time being and should be functioning regularly, in the best interest of the public, for at least 3 years on the date of application.
  - ii) Any institution/school affiliated to a recognized State Board of Education/ CBSE/ ICSE for Secondary/Senior Secondary level.
  - iii) Any Govt. Industrial Training Institute or Private Industrial Training Centre affiliated to National Council for Vocational Training (NCVT) or State Council for Vocational Training (SCVT).
  - iv) A private or public limited company or a public sector undertaking provided that creation of such training facilities are within the scope of its objective as laid down in its Memorandum of Association or it sponsors a society or a trust as provided sub clause.
  - v) Govt. sponsored organizations like Jan Shikshan Sansthan (JSS) or Krishi Vigyan Kendras (KVKs) District Institute of Education and Training (DIET).

**Provided that the application for accreditation from Govt. institutions shall be sent through the concerned Administrative Department of the Govt.**

**Procedure for submitting application**

2. An institution applying for accreditation to the NIOS shall apply to the Director, Vocational Education Department in the prescribed form (copy enclosed) in duplicate accompanied by such processing fees as may be prescribed by the NIOS and shall satisfy the NIOS that it fulfills all the conditions prescribed for accreditation and the instructions issued by the NIOS from time to time.
3. Applications for accreditation of new institutions or for accreditation for an additional course or courses, in case of institutions already accredited, shall be made to the Director, Vocational Education Department not later than 31st August of the year preceding the year in which it is proposed to open the institutions /course.

Chairman, NIOS may entertain application for accreditation after the prescribed date, if the institution, shows sufficient reasons for its inability for not submitting the application by the prescribed date.

4. **Applying institutions are required to deposit a processing fee of Rs.20000/- in the form of Demand Draft drawn in favour of "Secretary, NIOS" payable at concerned Regional Centre of NIOS. If the applying institution is an AVI (Accredited Vocational Institution) of NIOS and applying for additional Vocational course, they are required to deposit Rs.5000/- per trade, as processing fee in the form of Demand Draft drawn in favour of "Secretary, NIOS" payable at concerned Regional Centre of NIOS.**
5. On receipt of such applications, a preliminary scrutiny shall be done in the Deptt. of Vocational Education to check whether the institution/applicant is eligible for considering accreditation and the necessary documents, viz. processing fee etc. is attached. The institutions found eligible shall be issued acknowledgment letter and issued a consideration number. Applications received without processing fess will be summarily rejected.
6. The applications so short-listed will be put up before a

Screening Committee constituted by Chairman, NIOS. The Screening Committee shall examine the adequacy of the infrastructure, academic and **allied facilities vis-à-vis the general and specific norms prescribed for the courses applied, based on the information/documents supplied with the application and the authenticity of such documents.** The committee will short list the institutions, found suitable for carrying out inspection; and the institutions by whom the information provided is inadequate or is incomplete or not supported by required documents and needs further clarifications/additional documents.

## Inspection

7. For the institutions recommended by the Screening Committee, inquiry and inspection shall be made, as the Chairman NIOS deems necessary, by a competent person or persons authorized on his behalf by the Chairman with regard to the fulfillment of conditions of accreditation and such other matters as he/she may think necessary and relevant.
8. The Inspection Team, would be given a copy of the application and supporting documents submitted by the applicant. The team would be required to verify all the details and documents from original sources. Any discrepancy shall be recorded specifically with their own observations.
9. The team would assess the suitability of the institution on the basis of parameters laid down for different aspects.
10. General standards for Accreditation of Institution shall be as per *Annexure 'A'* .
11. Specific guidelines for each course shall be such as prescribed from time to time. There is a separate **booklet consisting of details of equipments, tools and infrastructure required for each trade.**
12. The Inspection Team, shall be required to submit their report on the prescribed format of Inspection Report

## Consideration by Accreditation Advisory Committee.

13. The Accreditation Advisory Committee of NIOS shall consider the recommendations of the Inspection Committee. No Institution shall be considered for

granting accreditation unless:

- i) it actually has suitable and adequate physical facilities in terms of space, accommodation, sanitation, laboratories and workshop, equipment, library and reading room, furniture and other infrastructural facilities as specified by NIOS from time to time, for maintenance of requisite standards as mentioned in the guidelines.
- ii) there are teachers and other employees who have the laid down qualifications and other eligible criteria and who are in number required as per the norms laid down by NIOS from time to time.
- iii) it has adequate financial resources to ensure its financial stability, continued maintenance and functioning.
- iv) the Accreditation Advisory Committee is satisfied about the need of the setting up of the institution for running such courses as are proposed to be introduced, taking into consideration the existing training facilities, scope for wage/self employment, the past trends of employments of the passed out trainees in that district/state/region, in its best judgment.

Provided that Accreditation Advisory Committee can decide to put on hold, accreditation of a new institute or for introduction of new courses in existing institutions in a state, district, region, if in the opinion of the committee the existing training facilities are adequate considering the scope for wage self employment, the trends of employment of passed out trainees or for any other reason considered appropriate in its best judgment.

- 14.** Where the accreditation is granted, it shall be intimated to the institute by the Secretary of the NIOS, along with such specific conditions, if any, which are required to be completed by the institution before the start of the training.

## **Provisional Accreditation**

15. Accreditation granted initially to an institution shall be provisional in nature and shall be required to be renewed after two years.
16. It shall be open to the NIOS to reject a request for accreditation in part or in whole mentioning the courses of study and the number of students to be admitted and also impose such other conditions, if any, as it may deem fit.
17. The procedure followed for the grant of affiliation shall apply mutatis mutandis to continuation of accreditation from time to time and for opening of new courses.
18. The Institution shall be required to provide signatories of the coordinator who would operate a Bank Account that has to be opened by Institution to undergo all financial transactions in order to function on behalf of NIOS.
19. The institutions shall be further required to enter into **Memorandum of Understanding** (MoU) with NIOS providing for the various terms and conditions to be fulfilled by the institution.

## **Withdrawal of Accreditation**

20. Where misrepresentation or suppression of material facts and particulars, the NIOS may, after giving the Society/Trust of the Institution, as the case may be, a reasonable opportunity of showing cause against the proposed action, in addition to any other action under any other law, withdraw the accreditation granted to the institution, as the case may be.
21. In case of breach of any terms and conditions and/or non-compliance of directions/guidelines given by NIOS in the context of assigned tasks, the NIOS reserves the right to suspend or cancel the accreditation of the institution with or without any notice. The liability of transfer of learners etc. after the closure will be that of the AVI. Among other things, the NIOS reserves the right to withdraw accreditation and or impose penalty of Rs.15,000/- (Rs. Fifteen thousand only) in case the AVI is found indulging in any of the following improprieties/irregularities:

- A. Failure to provide necessary academic and

administrative support to the learners as per prescribed norms fixed by NIOS.

- B. Charging from the learners over and above the amount prescribed by NIOS.
- C. Accepting extra money towards service charges or for any other items/tasks.
- D. Non-distribution of learning materials supplied by NIOS to learners within stipulated time.
- E. Charging additional money for distribution of NIOS learning materials to the learners.
- F. Non-maintenance of Records of attendance of Practical hours and progress card of each students.
- G. Non-maintenance of proper records of financial transactions, and stocks received from NIOS.
- H. Financial irregularities relating to use of NIOS funds for purposes other than those laid down by NIOS.
- I. Promoting and propagating an idea/objective which is against the solidarity, sovereignty or unity of the country.
- J. Deterioration of physical facilities and unwillingness to improve them to meet minimum requirements in terms of satisfactory classrooms, laboratory, workshops, work centres, and library facilities.
- K. Refusal to provide building and staff for the conduct of NIOS Examinations.
- L. Abetting unfair means in examination.
- M. Inadequate supervision of the Examination Centre enabling learners to use unfair means/mass copying during the examination at the centre.
- N. Admission of less than 10 learners for two

consecutive years.

- O. Non-fulfillment of conditions of partnership as spelled out in Memorandum of Understanding (MoU) executed with NIOS.
- P. Poor academic performance of the AVI functioning for two consecutive years and not being able to keep the desired performance.
- Q. Any other misconduct in connection with the admission, examination and other assigned tasks which in the opinion of NIOS warrant immediate withdrawal of accreditation of the institution.
- R. Non-disclosure of any region-specific information which may lead to the closure of the AVI during the academic session.
- S. Usage of NIOS material for imparting education in the coaching/remedial classes by charging any amount which is not prescribed in NIOS norms.
- T. Enrolling learners beyond the accreditation allotted by NIOS to it.
