## PREFACE

A large number of candidates from School Education Boards including National Institute of Open Schooling, if unable to clear their examinations are approaching to NIOS to avail the facility of Transfer of Credit (TOC) and thus appearing in Stream –II or Stream –III & IV as the case may be.

The cases of TOC are dealt at the Regional Centres and in the Students Support Services Department. Presently NIOS is having 20 Regional Centres, One Sub-Regional Centre and a cell. For smoothening this process, the Department of Student Support Services, NIOS has prepared “Standard Operating Procedures”. In order to have ready reference, the SOP’s are exhaustive in nature by comprising of all necessary details. Document is consisting of details about the Transfer of Credit, General Rules and Procedures for Transfer of Credit, procedure to be followed by the Learners, action to be taken by the Regional Centres etc. The document is also having application form, Name of the Boards eligible for TOC, Calendar of Activities for TOC to adhere the schedule and other various and important format.

I hope that this publication will serve as a handbook for the Regional Centre of NIOS, Student Support Services Departments and the study centres to help and guide the learners about submission of applications for TOC and also about the procedures etc. This document will certainly make the process transparent and put the system of grant of TOC on track.

# 1. NIOS: AN INTRODUCTION

## 1. What is NIOS?

NIOS is an “Open Schooling Institute” to cater to the educational needs of a heterogeneous group of learners up to pre-degree level. It was started as a pilot project with in-built flexibilities by the Central Board of Secondary Education (CBSE) in 1979. In 1986, the National Policy on Education suggested strengthening of Open School System for extending open learning facilities in a phased manner at secondary level all over the country. Consequently, the Ministry of Human Resource Development (MHRD), Government of India, set up the National Open School (NOS) in November 1989. The pilot project of CBSE on Open School was amalgamated with NOS. Through a Resolution (No. F.5-24/90 Sch.3 dated 14 September 1990 published in the Gazette of India on 20 October 1990), the **National Open School (NOS) was vested with the authority to register, examine and certify students registered with it up to pre-degree level courses.** In July 2002, the Ministry of Human Resource Development amended the nomenclature of the organization as the **National Institute of Open Schooling (NIOS)**. The mission of NIOS is to provide relevant continuing education at school stage up to pre-degree level through Open Learning system to prioritized client groups as an alternative to formal system, in pursuance of the normative national policy documents and in response to the need assessments of the people to contribute towards :

- ❖ *universalisation of education up to Sr. Secondary level*
- ❖ *greater equity and justice in society,*
- ❖ *evolution of a learning society and*
- ❖ *fulfillment of the objectives of “Right to Education Act 2009”*

## 2. How does NIOS function?

NIOS operates through a network of five Departments, 20 Regional Centres, 1 Sub Regional Centre, one Regional Cell and 6333 Accredited Institutions in India and abroad. NIOS has a current cumulative enrolment (last five years) of about 2.59 million learners at the Secondary, the Senior Secondary and the Vocational Education courses which make it the largest open schooling system in the world.

## 2. SALIENT FEATURES OF NIOS

There are some special features of NIOS that make it unique in its functioning. The features related to the openness and flexibility provided to the learners is as follows:

- 2.1 Open entry with respect to age and qualification:** NIOS does not lay down any upper age limit for taking admission in different courses. However, for admission the minimum age of the learner should be 14 years for Secondary Course and 15 years for Sr. Secondary Course as on 31<sup>st</sup> July of the year of admission. A learner can seek admission at the basic and secondary level by submitting a self-certificate. However, for the Sr. Secondary level, a Secondary School Certificate from a recognized Board is a necessary condition.
- 2.2 Open choice of course/ subjects of study:** NIOS offers both academic and vocational courses. A learner is free to select any combination of subjects from a wide range of academic and vocational courses. Choice of subjects lies with the learner who selects the subjects according to his /her needs and requirements. A learner has to select a minimum of five subjects including one language as a compulsory subject at the secondary and senior secondary levels and has to pass the same in order to get a certificate. A maximum of two language subjects are permissible while choosing the five subjects.
- 2.3 Open choice of medium of instruction:** Out of Hindi, English, Urdu, Marathi, Telugu, Malayalam, Gujarati and Odia, a learner can choose any language as his medium of instruction at the Secondary level. At the Senior Secondary level, out of Hindi, English, Urdu and Odia, a learner can choose any language as his medium of instruction. Other Regional languages as medium of study are available with the State Open Schools.
- 2.4 Flexible scheme of examination:** Public examinations are conducted twice a year. A learner can appear in any of the examinations in one or more subjects at one time depending on her/his preparedness during the period of five years of valid registration. Further to increase the dimension of flexibility, ***On-Demand-Examination System(ODES)*** has been introduced where assessment takes place when the individual learner is ready to take it. ODES is not only time independent but it also allows the learners to improve their performance till

they are satisfied. Thus, ODES adds another dimension of openness in the Open Schooling System where examination became self-paced and degree of performance is controlled by the learner.

- 2.5 Credit Accumulation:** NIOS allows credit accumulation. If a learner passes in one or more subjects, the credits are kept till she/he fulfils eligibility conditions for certificate through nine chances in term end examination in a five years long period. This facility allows open pace of learning.
- 2.6 Re-Checking and Re-evaluation:** The NIOS allows the facility of re-checking of the answer scripts both at Secondary and Senior Secondary level where the subject experts do re-totaling of the marks and ensure that no answer is left unchecked. However, at Senior Secondary level the facility of re-evaluation of answer sheets has been introduced with effect from April/May 2010 examination.
- 2.7 Transfer of Credits:** NIOS allows transfer of credit from CBSC/CISCE/State Open Schools and some State Boards of Secondary and Sr. Secondary Education. The learners can avail the benefit of the transfer of credits up to two subjects to NIOS and can get a certificate by clearing the remaining subjects. The facility of Transfer of Credit up to four subjects is available to NIOS learners who have not been able to complete their courses during the last five years. To avail this facility the learner has to re-register himself /herself with NIOS.

### 3. ABOUT TRANSFER OF CREDIT

Ex-Secondary/Senior Secondary students of other recognised Boards of school education who have passed in at least one subject, but have not qualified in the course, may seek admission in the respective course at NIOS and avail facility of Transfer of Credit (TOC) whereby marks of any two subjects passed from Parent Board are transferred to NIOS for Certification.

The learners can avail the benefit of the transfer of credits up to two subjects to NIOS and can get a certificate by clearing the remaining subjects. The facility of Transfer of Credit up to four subjects is available to NIOS learners who have not been able to complete their courses during the last five years. To avail this facility the learner has to re-register himself /herself with NIOS. **These features make the Open Schooling system a learner –centered system.**

The National Institute of Open Schooling (NIOS) offers Transfer of Credit (TOC) facilities to the ex-students of NIOS and of certain other Boards of School Education. The other Boards are those that have signed Memorandum of Understanding with NIOS to verify the correctness of the marks/ results of the students. Those who wish to avail the facility of Transfer of Credit in the NIOS as they could not qualify in Secondary/ Senior Secondary examination from their parent Boards are requested to go through these guidelines given below. The facility of TOC is given in all the four streams under which admissions are made in NIOS. The list of such Boards is annexed at Annexure-II.

## 4. ELIGIBILITY FOR TRANSFER OF CREDIT

The eligibility for Transfer of Credit is as follows:

### 4.1 Ex-Students of NIOS

Ex-Secondary/Senior Secondary students of NIOS, who have completed their validity period of five years of admission but could not complete the Course, are eligible to take re-admission in NIOS. The credit of the subjects passed (maximum four subjects) in the previous admission will be transferred to the fresh admission, if these subjects are passed during the last ten years. Please note that the Re-admission is not allowed to the students of NIOS whose admission is still valid meaning thereby that five years validity period has not yet been completed.

### 4.2 Ex-Students of other Boards

Ex-Secondary/Senior Secondary students of other Boards (Annexure-II), who have passed in at least one subject but have not qualified in the course, can get their credit transferred. Credit transfer up to two subjects is provided with the condition that these subjects are passed in the last five years. The credits will be given only in those subjects, which are included in NIOS scheme of studies as per the scheme of examination.

## 5. GENERAL RULES AND PROCEDURES FOR TRANSFER OF CREDIT IN STREAM-I & STREAM-II

Candidates are advised to exercise the option of Transfer of Credit at the time of registration in NIOS. However, looking into the interest of the students, requests can also be considered later that is after declaration of result.

### 5.1 When option is exercised at the time of registration:-

1. Option of Transfer of Credit (TOC) must be exercised at the time of admission/re-admission (Ex NIOS students). Option once exercised will be treated as final and no change in option for further addition, modification will be permissible under any circumstances.
2. Credit of four passed subjects from NIOS and credit of maximum two subjects passed from eligible parent Boards will be valid for transfer.
3. The subjects (s) for which “Transfer of Credit” is sought should be such subjects which exist in NIOS curriculum or are identical.
4. **If the subjects opted for transfer of credit involve no practical/theory and the corresponding subjects existing in NIOS involves both theory and practical or vice versa, these subjects will not be treated as identical.**
5. If the weightage proportion between theory and **practical differs from the corresponding weightage as per NIOS Scheme of Examination** then the transfer of credit may be awarded by adjusting the difference of marks in theory/practical as per the discretion of the NIOS authorities.
6. Transfer of Credit will be allowed only once **on the basis of the original Mark-Sheets** only including that of compartment examination from the same parent Board.
7. The credit to be transferred should have been attained by the candidate within the past five years of re-admission.

8. No **improvement will be allowed in the credit transferred**. If a student appears in a subject which was opted by him/her for credit transfer, the result of the examination appeared in that particular credited subject will not be declared.
9. If any student from the eligible Boards has opted for Transfer of Credit in more than two subjects, best of the two credits will be transferred without considering any other aspects.
10. If any candidate is found guilty of availing Transfer of Credit facility on false statement/documents, he/she will be debarred for taking admission in NIOS and NIOS reserves the right to take legal action against such candidates including cancellation of result.
11. Other than TOC subjects, all the remaining subjects will have to be cleared by the candidate as per criteria laid down by NIOS from time to time.
12. In no case, TOC will be granted to the pass students.

#### **5.2 When option is exercised after declaration of results:**

1. Request for Transfer of Credit with valid reasons be made to the concerned Regional Centre of NIOS from where candidate has appeared in NIOS examination.
2. While submitting request for TOC, the candidate will also **enclose the original Mark-Sheet** issued by the parent Board, **an attested photocopy of the Mark-Sheet** and all the original documents issued by NIOS.
3. Such request can only be considered within three years from the year in which the candidate has appeared in the examination conducted by the parent Board.
4. Remaining rules will remain the same as in case of the option exercise at the time of registration.

## 6. TOC FACILITY: PROCEDURES TO BE FOLLOWED BY LEARNER

### 6.1 When option is exercised at the time of registration:

- ◆ Candidates who wish to avail the facility of TOC will be required to fill in the desired details in Application Form for Admission (online or offline as the case may be) and will attach **the original mark-sheet** from which credits are to be transferred and an attested photocopy of the same.
- ◆ An applicable fee is to be paid as per the modes made available by the NIOS for paying the fee when registration is made online.

### 6.2 When option is exercised after declaration of results:

- ◆ Candidates are required to apply to the concerned Regional Centre of NIOS on the prescribed Proforma (**Annexure-I**) by filling in the desired details. They are also required to attach **the original mark-sheet** from which credits are to be transferred and an attested photocopy of the same along with the original documents issued by the NIOS.
- ◆ The applicable fee need to be paid in the form of Demand Draft in favour of the Secretary, NIOS payable at the station of the concerned Regional Centre of NIOS or as per the instructions issued from time to time.

## 7. ACTION TO BE TAKEN BY REGIONAL CENTRE

### 7.1 General Guidelines for Regional Centres

Upon receipt of the application for Transfer of Credits (TOC), the Regional Centre of NIOS is required to check the following:

- 7.1.1 Check the admission form and ensure that the particulars in the form are correctly filled.
- 7.1.2 Check the particulars of the credit transfer subjects with the original mark sheet of the candidate.
- 7.1.3 Check whether the TOC fee has been received or not.
- 7.1.4 The verification of TOC particulars, in case of eligible Boards, may be done electronically with the help of the result obtained from the concerned Board. In case the verification of TOC particulars is not done with the result CD, the concerned Regional Centre will get it verified from the concerned Board. **Without verification in no case TOC will be granted.**
- 7.1.5 The Regional Director will ensure the availability of data from the concerned Board (s) and also keep this record safely.
- 7.1.6 The data of the Re-admission cases will be punched separately and the check-list will be checked thoroughly.
- 7.1.7 If TOC is not granted to a candidate, he/she should be informed accordingly by the Regional Centre well before the commencement of the next examination i.e., April-May exam. or October/ November exam., and be allowed to take additional subject as special case. Such students may also be allowed to deposit the exam fee for next exam. The difference of the TOC fee and the registration fee for one subject will also be paid by the candidate if it is applicable.

- 7.1.8 TOC is allowed in only those subjects which are as per the scheme of studies and scheme of examination of NIOS. It has been observed that in some Boards the bifurcation of theory and practical marks is not given in the marksheet. Such cases should not be considered for TOC until the bifurcation of theory and practical marks is obtained. The student should also to be informed accordingly.
- 7.1.9 The Regional Director will ensure the availability of data from the concerned Board in advance and also ensure its safe custody for future.
- 7.1.10 In case the request for the Transfer of Credit is from the other Board than that of the jurisdiction of the concerned Regional Centre, the soft copy of the result will be obtained from the concerned Regional Centre for completing the desired action.
- 7.1.11 All Regional Directors will collect the soft copy of the results from the Boards under their jurisdiction and provide a CD of the same to the NIOS Headquarters also for processing the TOC cases in Stream-III and Stream-IV.
- 7.1.12 The Regional Centre will take the action on the request of TOC based on the Calendar of Activities for Transfer of Credit(**Annexure-III**).
- 7.1.13 The formats in which reports of the TOC committee are to be sent to be NIOS Headquarter is given **at Annexure-IV and V**.
- 7.1.14 Director (SSS), NIOS is the Competent Authority to approve the TOC Cases.
