Subject: - Monitoring and Video Recording of Conduct of Examination in Super Sensitive Examination during October – November 2012 Examinations.

Madam/Sir,

As you are well aware that NIOS theory examinations for October – November 2012, have been scheduled from October 2012 onwards and therefore, it has to be ensured that appropriate arrangements are made well in advance for deployment of observer at each examination centre to ensure that examinations are monitored and conducted in a free and fair manner. In order to accomplish this task, the Competent Authority had constituted a committee to look into this aspect. The Competent Authority after going through the recommendations of the committee, has decided that the Regional Directors be authorised to go in for Video Recording in Super Sensitive Examination Centres for the limited subjects during October – November 2012 Examinations, after following due procedure.

After the examinations are over, the respective Regional Director is required to send a detailed report to Director (Eval.). This will facilitate to bring transparency and to keep a check for use of unfair means by the learners during the conduct of NIOS Examinations.

This issues with the approval of the Competent Authority.

Yours sincerely,

(C.DHARUMAN)
Director (Evaluation)
