OFFICE ORDER - 116/2017

It has been noticed that some of the Regional Directors are changing the examination centre of the learners for the Public/Practical Examinations of NIOS at the last moment, without the prior approval of the Evaluation Department, NIOS. This affects pre-examination activities and also causes inconvenience to make available the question papers at the new examination centre.

However, in extreme circumstances and due to unavoidable reasons of the learners, if need be, the change of examination centre within the region as well as outside the region before the commencement of Public/Practical Examination of NIOS, have to be recommended to the Evaluation Department for the approval of Director (Evaluation), NIOS.

In case, change of examination centre is required within the region as well as outside the region, should invariably be forwarded to Evaluation Department with proper justification by the concerned Regional Director. As such, all the Regional Directors are hereby directed to ensure that the above procedure is followed strictly in letter and spirit.

Any deviation thereto would be dealt severely and the onus for the lapse would solely vest with the Regional Director only.

Director (Evaluation)
