

National Institute of Open Schooling
(Vocational Educational Department)

NIOS/VED/AD(VE)/2009

Date: 05.12.2011

Notification

The Certificate course in Word Processing (code: 327) has been withdrawn from January 2011 session. A new course 'Certificate in Data Entry Operations' (code: 632) has been introduced from January 2011.

As per approval of Competent Authority, the AVIs who were accredited for Word Processing (Code: 327) are allowed to offer 'Certificate in Data Entry Operations' (code: 632) from January 2012 session. Details of the course are provided in Vocational Prospectus.
